INTRODUCTION

GREETINGS

Greetings in the Name of the Lord Jesus Christ! Isn't it a great privilege that we are able to say that in truth! No question mark is placed after that last sentence as it was not a question; it is, rather, a statement of glorious truth!

You know, of course, why we end our prayers with the phrase "In the Name of Jesus." It isn't using His Name as a talisman; it is because by invoking His Name in such a manner we are making the claim that we believe we are speaking things that are in His Will and Purposes.

THROUGH A GLASS DARKLY

Do you understand why the world at large is unable to make that greeting in truth? They do not know Him in His Biblical fulness. They have no experiential knowledge of His will and His fulness. They do not know Him in the power, glory and position as Savior, not just of the World but also of their own eternal and un- redeemed soul.

The world speaks of translations made so that the unsaved will desire to read those words of God. Folks, the unsaved are not going to read the Words of Scripture as those Words, which are accurately the holy words of The (exclusive and ultimately glorious, God. He is not "a god" of just anything as He is The God of Reality and Creation.)...He is The God of True Scripture.

Sin separates the unregenerate from the ultimate pureness of God. That reality of sin separates the lost sinner from the Words of Life. They may well read even the True Words of Scripture. But they read those Words with the hope of pacifying a god of wrath rather than praising The God of Grace and Mercy.

We may well see "*through a glass darkly*" at times. But we can always see through a glass that is illuminated by the work of the Holy Spirit of The God Who loves us and dwells within us as adopted children of His. I think to Revelation 13:8 when I consider the Cross of Christ. "And all that dwell upon the earth, whose names are not written in the book of life of the Lamb slain from the foundation of the world."

Notice the scope of that one verse. It ranges from pre-creation of the earth where Jesus, looking down throughout the history of

creation, saw the sin of man. The only remedy for this Satan inspired, but mankind implemented, situation involved the events of Calvary; creation continued with that reality fully understood.

Can we even begin to understand the ultimate love of God? That love was never based upon what we may have done. Indeed, what we did only served to make spiritual necessity of that which Jesus experienced at Calvary – the pain, the degradation, the humiliation of a brutal physical death before His mortal enemies. Calvary was the natural outgrowth of what we had really done. Can any of us really say “natural outgrowth” without considering the depth of His love and mercy?!

JACOB’S TROUBLE

That verse continues up until the time of the Great Tribulation, the Time - Jeremiah 30:7 - of Jacob’s Trouble. Even at that late point in the history of this planet, there are still people who will scoff at Jesus and give their worship to the Beast and Antichrist. People who are gripped in sin will not follow the Savior! Nor will they be willing to accept the True Words of God without a miracle of grace wherein the Holy Spirit of God allows His Words to invade the domain of

Satan and allow the real Words of the Real Scripture to begin to melt those sin-encrusted hearts and allow the message of the gospel to lead them from dry *religion* into a saving *relationship* with the Master of our souls, the Lord Jesus Christ.

WHY THE POWERLESS CHURCH?

Why is the church, as an institution, seen as so powerless in this day? Part of this is, of course, that Satan continues his own nefarious work among the culture of the day. But Satan is powerless against the Power of God. We, even of so many of the fundamentalists, have departed from the Words of God and lusted after the words of man in the errant *translations* of the critical text. Our abandonment of the powerful Words of God has removed much of the power of our witness into the world. Our rejection of the true inspired and preserved Words of God, as evidence of our trust in HIM, and His power to preserve, has robbed us of the Words of Life.

More than just this, we have not utilized the Power of God by a holy reliance upon the Holy Spirit of God. Oh, the charismatic crowd has misrepresented the Spirit as they seem to make Him a veritable plaything of a magic

The prophecies of God, and His Book, are even more certain than the events related in tomorrow's newspaper. The fact that God has kept His promises to Israel stands as testimony that He will also keep His promises to us.
